Student Feedback on curricula 2016-17

The student satisfaction survey collects in depth data of a student's satisfaction with college. This survey template consists of multiple choice questions to collect feedback about all the aspects of the college. It can help the management of the college to streamline services. The questions in SSS are framed on the overall functioning of the college, curriculum, innovative teaching methods, extracurricular activities, sports facilities, esurience of employability, etc.

The feedback Committee prepared the questionnaires and distributed among the UG/PG students, faculty wise to get their feedback. Three hundred responses are collected from the students. For the year **2016-17**, feedback is taken from students. The feedback is analyzed and discussed with the head of the institution.
