The college establishes policies that reflect core values. Code of Conduct and Professional Ethics is prepared for students and staff and all stakeholders should obey the conduct rules. Code of conduct and professional ethics policy is also displayed on college website to all. A handbook is published in 2023 and distributed to all departments and some copies are kept in library. All stakeholders are made aware about Code of Conduct and Professional Ethics in several activities like induction programme, staff council meeting, parents/alumna meet, and NSS/NCC programs. The affiliating University curriculum is framed with mandatory courses like Constitution of India, Human Values, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students.
