7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The NCC unit of the college is established in 1972 under 13 Maharashtra Battalion, Khamgaon. Since the establishment it has been working very effectively by giving opportunities to the rural area youths to participate in NCC training programs. The NCC cadets participate every year in RD pated at Rajpath, Sthal Sainik Camp. The unit is special, as every year at least 40 girls participate in NCC. Some students from other districts also seek admission in the college to join NCC. Most of the cadets including girls are selected in army every year. The distinctive feature of our NCC unit is participation in socially related activities. The college is specially known in the District for its NCC unit.

The priority and thrust of our institution are to provide quality education to the students from downtrodden society of rural area. The students who are especially interested in joining defense services are given chance to achieve their goal to serve motherland through our NCC unit. Our institution gives priority to the NCC unit and presents opportunity to students to equip themselves by proper training to serve in defense. There are many students from rural area who got appointments in defense services after training.
