

Report on National Mathematics Day 2025

Shri Shivaji Arts and Science College, Chikhli

Date: 22 & 23 December 2025

Organized by: Department of Mathematics

Shri Shivaji Arts and Science College, Chikhli celebrated National Mathematics Day 2025 with great enthusiasm and academic spirit on 22nd and 23rd December 2025 to honor the birth anniversary of the great mathematician Srinivasa Ramanujan. The programme aimed to develop logical thinking, creativity, problem-solving ability, and interest in mathematics among students.

1. Treasure Hunt Game (22 December 2025)

As a part of National Mathematics Day celebrations, a Mathematics-based Treasure Hunt Game was successfully conducted on 22 December 2025 within the college campus.

A total of 8 teams participated in the event.

4 teams were from Junior College and 4 teams were from Senior College.

The treasure hunt was designed with mathematical clues, logical questions, and location-based problem-solving tasks.

The competition was conducted separately for Junior and Senior College students, ensuring equal opportunity and fair competition.

Separate winners were declared for Junior College and Senior College categories.

The event generated excitement and teamwork among students and helped them apply mathematical concepts in a fun and practical manner.

2. Poster Competition, Model Competition & Official Programme (23 December 2025)

On 23 December 2025, various academic and creative activities were organized, including:

Poster Competition

Mathematical Model Competition

Official National Mathematics Day Programme

Students actively participated by presenting posters and working models based on mathematical concepts, applications, and real-life uses of mathematics. The competitions encouraged innovation, creativity, and conceptual understanding.

Official Programme and Dignitaries

The official programme was graced by eminent guests:

Chief Guest:

Shri Parmeshwar Shirsagar, Secondary Deputy Education Officer, Buldhana

Guest of Honour:

Shri Atmaram Analkar, Group Education Officer, Chikhli

President of the Programme:

Dr. Pramod Padole Sir, Principal, Shri Shivaji Arts and Science College, Chikhli

All the dignitaries delivered inspirational speeches, emphasizing:

The importance of education and discipline

The role of mathematics in daily life and career development

Motivation for students to develop scientific thinking and problem-solving skills

Their guidance greatly inspired the students and faculty members.

Conclusion

The celebration of National Mathematics Day 2025 at Shri Shivaji Arts and Science College, Chikhli was highly successful and meaningful. The events enhanced students' interest in mathematics, promoted teamwork, creativity, and logical thinking, and provided valuable inspiration through expert guidance.

The programme concluded with a vote of thanks, appreciating the efforts of the organizing committee, faculty members, participants, and supporting staff.
