

Career Counselling and Placement Cell

Career Counselling and Placement Cell was established in Shri Shivaji Science and Arts College, Chikhli as per the UGC XI plan guidelines. The major objectives of cell is to make students able, independent and employable in the present era.

Objectives of the Cell

- To motivate the students for getting job opportunities in all sectors.
- To provide guidance about job and self-employment opportunities.
- To undertake entrepreneurship development program for Graduate and Post-graduate students.
- To invite various companies, industries and Skill Development & Entrepreneurship Office, Buldana conduct campus Drive

Achievements and Regular activities of the Cell

We have placed sizeable students of various faculties in various companies, banks, industries, public sectors and private sectors.

The cell has MoU with Vaansa Training & Project Pvt. Ltd., Pune to provide job opportunities from reputed companies. Thus, students gets placed at undergraduate level.

In order to provide guidance for various competitive examinations, we have functional 'Career Katta' an initiative by Higher Education and Maharashtra Information Technology Support Centre, Maharashtra State.
