

Inter-Collegiate University level Chemistry Seminar Competition

Shri Shivaji Education Society, Amravati's

Shri Shivaji Science and Arts College, Chikhli
Dist. Buldana

Department of Chemistry

& In collaboration with

Amravati University Chemistry Teachers Association
(AUCA)

Organizes

University Level Intercollegiate Seminar Competition
for B.Sc. III (Semester-VI) on 5th February 2026

Topic Unit-IV: NMR & Mass Spectroscopy

Our Patron

Hon'ble Shri Harshwardhan Deshmukh
President, Shri Shivaji Education Society, Amravati
- Guest of Honours -

Prin.Dr. N. S. Thakare
President of AUCA

Prof. Dr. K. N. Puri
Secretary of AUCA

Chairman

Dr. P.R. Padole
Principal

Convener

Dr.G.M.Dongare
Head, Chemistry Dept.

Shri Shivaji Science and Arts College, Chikhli.

Registration link: <https://forms.gle/NbNPY1mf5T4Q6jkJ6>

IMP. Note Chikhli City is on Nagpur-Pune state highway & ST & Luxury Bus are available @24 hrs.

Marks Distribution:

Competition shall be of 50 marks and the distribution of marks will be as under

❖ Presentation skill	-15 marks
❖ Correctness of subject	-15 marks
❖ Preparation of presentation (PPT)	-10 marks
❖ Question and Answer section	-06 marks
❖ Time management	-04 marks

Important Instructions:

- > An LCD projector facility will be provided for the seminar presentation.
- > Three copies of the seminar script must be submitted at the time of registration.
- > There shall be three prizes (permitted by AUCA).
- > Bus fare will be given to outstation participants. (To and Fro).
- > The decision of judges will be final in any case.
- > All participants will receive a Certificate of Participation.

Rule and Regulations:

- ❖ There will be no entry fees.
- ❖ Each college is invited to send ONE student to take part in the event.

ACTIVITY REPORT

An Inter-Collegiate University-Level Chemistry and Physics Seminar Competition for B.Sc. Second and Third Year students was successfully organized at Shri Shivaji Science and Arts College, Chikhli 5th February 2026. The event was jointly conducted by the Department of Chemistry in association with the Amravati University Chemistry Teachers Association (AUCTA). The programme was presided over by Principal Dr. P. R. Padole. In his welcome address, Dr. G. M. Dongare, Head of the Department of Chemistry, introduced the chief guests and judges, and emphasized that such seminar competitions play a vital role in enhancing students' knowledge, nurturing a research-oriented attitude, and developing a scientific temperament. He further stated that such academic initiatives provide students with a new direction for educational growth and intellectual development. In his presidential address, Principal Dr. P. R. Padole guided the students by highlighting that, in today's rapidly changing scientific era, it is not sufficient to confine knowledge only to textbooks. He stressed the need for students to cultivate research aptitude, innovation, and technical skills to face the challenges of modern science and global competition successfully. The inaugural address was delivered by Prof. Dr. H. S. Chandak, Chairman, Board of Studies in Chemistry, Sant Gadge Baba Amravati University. He informed the students about the various academic activities conducted under the Chemistry Association and encouraged them to actively participate in such educational programmes. He remarked that students should develop knowledge, critical thinking, and self-confidence, and added that seminars, workshops, and research-based activities serve as effective tools for students' intellectual growth. He also emphasized that such programmes provide a platform for students to express their ideas, improve communication skills, and become familiar with emerging trends in science. The programme was also graced by the presence of Dr. V. U. Pochhi, IQAC Coordinator.

Chemistry Seminar Competition Results: In the Chemistry Seminar Competition, the following students secured top positions: First Prize (₹2000): Ms. Vaibhavi Raipure, Science College, Malkapur, Second Prize (₹1500): Ms. Pranjali Dhokne, Shri Shivaji Science and Arts College, Chikhli and Third Prize (₹1000) secured by Mr. Prasanna Bahekar, Pundalik Maharaj College, Nandura Rly. All the participants were honored with certificates of participation in recognition of their academic efforts and enthusiastic involvement. The programme concluded with a formal vote of thanks delivered by Prof. S. N. Pawar. The event was successfully organized through the dedicated efforts of Dr. G. M. Dongare, Dr. G. D. Thorat, Prof. S. N. Pawar, Prof. S. S. Kale, Dr. S. J. Deshmukh, and the student volunteers. The seminar competition proved to be a highly enriching academic platform that encouraged scientific thinking, presentation skills, communication ability, and intellectual confidence among students. Such programmes significantly contribute to the development of a research-oriented and academically competitive student community.
